

Illusion

The Superior Health Foundation is proud to announce the headline entertainment for the 2015 Annual Gala on Saturday, Sept. 12, at Northern Michigan University.

TOM COVERLY

"Tom's illusions are first rate and amazing." - Kevin Newton, Festival Director

"Tom Coverly was part of the first FortyFest - Resonate! Rock Music Festival and we could not have made a better choice. Tom brought a different aspect to our event lineup with his incredible illusions. He wowed the crowd and had them from the instant he stepped on the stage." Blaine Siske, FortyFest
