25

Organizations received a total of \$25,342 for health-related equipment.

9

Pilot Project grants awarded totaling \$17,259.

6

Two-year Proactive grants to address Pediatric Mental Health totaling \$722,065.

4

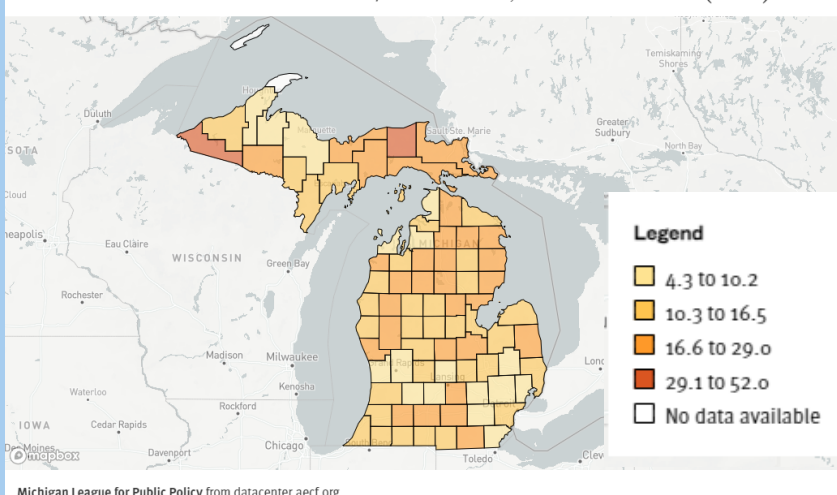

Indigent care grants in areas of hospice care, autism support, compassionate care for the un/underinsured, and medical air transport.

## Why we do what we do:

Mental health, food insecurity, lack of health insurance, need for sustainable health-related equipment, veterans care, transportation to medical appointments. These are just a few of the unmet healthcare needs facing residents of the U.P.

- 8.7% of U.P. residents are uninsured (Michigan state average is 6%).
- In the U.P., there is only one rural health clinic per 500 miles.
- 15.6% of U.P residents live below the poverty line.
- 21.6% of U.P residents are over the age of 65.
- 1 in 4 people with disabilities in the most rural places experience poverty.

### The problem:

According to the Kids Count Data Center at the Annie E. Casey Foundation:

- There were 791 confirmed cases of child abuse in the Upper Peninsula in 2022.
- In 2022, eight of the fifteen counties in the U.P had a higher rate of child abuse and neglect than the Michigan state average.
- The entire U.P average rate of child abuse/neglect in 2022 was nearly 8% higher than the state average
