LETTER FROM LEADERSHIP

2024 marked a year of transformation for the Superior Health Foundation as we welcomed a new CEO, ushering in a fresh chapter of leadership and vision. This transition reinforced our commitment to improving the health and well-being of communities across Michigan's Upper Peninsula. We continue to address the most pressing healthcare challenges in our region through our grantmaking, community partnerships, and health-focused initiatives.

This year, we expanded our reach, funded innovative programs, and supported organizations dedicated to improving access to healthcare, addressing mental health concerns, and fostering healthier communities. Thanks to the generosity of our donors, the dedication of our board and staff, and the resilience of our partners, we have made a meaningful difference in the lives of those we serve.

In this report, you'll see highlights of our key achievements, financial stewardship, and the powerful stories of individuals and organizations who have benefited from our support. As we look ahead, we remain committed to our vision of a healthier Upper Peninsula, ensuring that our work continues to move all of us forward.

Thank you for being part of this journey. Together, we are advancing health in the Upper Peninsula.

Sara Giles *Megan Murphy*
